Dear Sir,

Core issue

As per my personal visit to your kind self about the fee payment of my children at city school Peshawar warsak road campus. it is forwarded to your kind notice that as per instructions of Civil court during last summer vacations fee payment for summer vacations was exempted and the case was decreed in favor of parents, but later on Supreme court of Pakistan has refused the case and gave instructions for payment of fee as exempted in summer vacations.

Effect of Supreme Court order on Children Future and their parents.

Being a parent it is our first priority to pay the school fee of our children and then rest of amount for home expense, but here the situation has been deteriorated because of one order of supreme court in favor of school rather than parents, because many parents like me are salaried based and hardly reconcile the school fee of such schools i.e. The City School, Beacon House school in their monthly budget, but due to civil court order (For not paying of School fee in summer vacations) many parents like me has utilized that amount of money in daily home expense and then supreme court declared payment of summer vacation fee in lumpsum, due to which many parents like me has stuck to pay the previous fee in lumpsum, because we are earning that much salary in which we can hardly manage our home expense along with children fee, so how it is possible for me to pay in lumpsum.

Conclusion

Today my children are at home due to current situation of country(COVID19) and the concern school (The City School) has provided access for on line classes at home, but unfortunately after paying the previous summer vacation fee along with consecutive months, only May 2020 fee has been left because of want of money and made strong commitment to school management that in coming salary i will pay the MAY 2020 fee, because i have no more source of earning through which myself is going able to pay the fee as per desire of school management, due to which the school management has stop the access of on-line classes and now my children precious time are wasting at home just because of not paying of May 2020 fee.

Note: I have one question from school and Govt, that who will be responsible of this situation?????
