Sir Last night i recieved a call by one of the staff member of muslim school system abbottabad. He told me that he is suffering from very serious financial crises. I asked him for job but his reply made me shocked that he is one of the teachers of muslim education system mandian abbottabad. As per my confirm sources ..they charged fees of jan,feb,and march from students but didnt pay a single penny to their staff till now ..and because of this.. Their staff are facing severe financial crises. As DC abbottabad along with many other officers are performinhmg best to their effort to avoid any inconvenience to the people facing financial issues but unfortunately we all ignored this part of our Society which is the most important one. Attached image are some calculation of their revenue against major expenses for better and strategic operation against this inhumane school system. I will do my duty what my job allow me as per law against this school but surely need ur help in this regard.
