Hello Sir I am a former teacher in the Oxford Group of Colleges Kohat Campus. Now my former colleagues which are still serving there, they contacted me that they set a meeting with us and the owners said that they you all are fired and you will no longer be serving here. They didn't pay their salaries of March April... meaning that right before the Vacation they fired us. I want to take action against the College owner and investigate the matter... Most of the teachers have children and now they don't have any money to get food for their family.
