Respected Sir/Madam I started teaching at the global wisdom school and college mansehra as a senior lecturer in biology from november 2019 and 12000 rupees pay was decided out of which 500 rupee security which was deducted every month and promised to be given at the end of session. At the end of session in February 2020 i decided to quit and I left the institute with prior notice and the pay of last month i.e February was promised to be given along with security clearance making total 13500 rupees to be given on 10th of march after that i called and visited the institute around the given date but again i was promised two or three days later. After that i called the institute several times but no one attended my call and as there is lockdown i can't visit the institute. It is pathetic and i am not having any response from the institute. There are atleast two other teachers affected in this way. Due to lockdown we are severely suffering kindly look into this matter as soon as possible.
