### Contents

The principle Ms carrey schofield is considering herself so much above the law of the state, that she refused to make any reduction in fees in the middle of corona pandemic. Thats a shame and in a sense rejection the law of the state of Pakistan. Further more she is even charging the poor parents even the transport fee, though its holidays all over Pakistan. Why the DC lower chitral is watching all this and not taking any action against the school administration. Disgrace and deplorable state of affairs. Need justice from the advocates of justice. Mr. Prime Minister Imran Khan.
