I was a teacher in The Muslim High school tarnab Peshawar . I appointed by director of the school named (Asad Nazir) as physics and maths teacher on 14000 salary and 13000 for probation period of one and half month . After completing the probation period I requested almost 15 + times through application and personally meetings but the director didn't give me any response. After one year when the increment time came he only increase my salary 500 . YeH Intihai Zulm he r govt k b rules k khilaf he . But I belong to very poor family. In December we took coaching classes last year with 400/ day . But in this year the package suddenly dropped to 200 and 250 per day . Director sahb ki man mani . So I refused to take coaching classes . On this matter we discussed too much but all in vein . And now on 10 April I went to school for getting my salary so I was shocked that when I receive my termination letter . Is this fair that they are terminating me without any reason.
