My name is Gul Jan. I have been teaching at New Garden Public School, Haripur for the last eight months. And my salary is eight thousand five hundred. Ever since the country was locked down due to the corona virus, the school was closed. During this time, I continued to go to school for various tasks and also gave online lectures to the children. During this time, the school also continued to charge fees from the children. And when I demanded these two months' salary, at first these people kept pushing me and today all of a sudden on May 9, 2020, they sent me a letter of resignation through WhatsApp. Allegations that I acted against school rules are completely wrong. I request that action be taken against him
