As this Corona is emergency state all over the world..I am employ at Read School System situated at Gulshan iqbal road near Sawari cabb service and our staff has talked to the Principal regarding salary for the month of march for which he said us to wait patiently he is arranging money and we have cooperated with him for one month and now 2 days back he called all staff and he is stucked to the point that he will give us only salary for the working days not full salary and he will not give us salary for the month of april and may.For which we protested but he is stucked to his point and he has started terminating teachers with bull shit reasons.As government has announced that no private company or institute terminate his employess in this emergency state.This man who is principal of this institute is harrasing female teachers by doings such stupids things.I have request from DC abbottabad to take strict action agaist him ASAP and ask him to not terminate any teacher without any reason
