Respected Sir, I, Mr. Abdul Munir, have been a part of Chokara Science College, Karak for more than a year. But I have been fired from my services due to colleges' classes suspension thanks to Covid19. Since the govt has forbidden the employers from termination but not only my job is terminated but also others College staff. We the victims are not paid our outstanding. Although we have tried to utilize other mediums to persuade our employer to keep our jobs intake but of avail. We request the high-ups here to look into this matter of gravity and ensure our jobs are rescued. Dear, I belong to a poverty-stricken family, my family heavily bank on my earning. If the matter is not resolved with immediate action, things may get exacerbated, God forbid. Looking forward to hearing good from you. Thanks
