It is stated that private schools are at the Peak of their injustice and unethical deeds. As keeping in eye the current situation due to Virus. Where everyone is in a great grief, Still Private schools such as 'Peshawar Model' where my 2 children and 5 nephews are studying. The staff of the school is continuously asking for fees, which is a big amount being charged every month, including transport fees. Though, All their activities are closed. Above all, they are not issuing the results of previous classes' exams, which dues are already been paid to them. They should not harass children and their families by continuous calls and by not declaring the results of previous classes. Due to which children are suffering from mental grief and depression. Kindly, it is requested that a straight and strict action should be held against education mafia, especially the Peshawar Model Schools System. Regards.
