No. MD (PSRA)/2-6/Admn/Polio/2019
Dated 11.02.2020

To

All the Principals of Private Schools
of Khyber Pakhtunkhwa.

Subject:

**COOPERATION OF PRIVATE SCHOOLS/INSTITUTIONS IN POLIO
CAMPAIGNS.**

I am directed to refer to the subject noted above and to state that eradication drive against polio is a national cause and government is striving hard to eradicate the crippling disease aimed at saving children from lifelong disability. In order to vaccinate children (under five years of age), the Private Schools are also part of the micro-planning so that every child gets vaccinated and no child be left out from vaccination. In this connection, polio teams will visit all the privately managed schools/institutions during the campaign from time to time.

In view of the above, I am therefore directed to state that in order to achieve targets of vaccination of school going children, all out support and cooperation may be extended to polio/health staff in each campaign of vaccination to make Polio Eradication Programme a success and in case of non compliance strict action shall be initiated against the delinquent under the prevailing rules.
